

NOHA SAEED AL-WAJEEH

Senior Product Designer

Sana'a, Yemen | +967 777224445 | noha.alwajeeh16@gmail.com

LinkedIn | Behance Portfolio | GitHub

PROFESSIONAL SUMMARY

Senior Product Designer with 5+ years of experience designing user-centered digital products across web platform

CORE EXPERTISE

Product Design	UX Research • User Flows • Information Architecture • Wireframing • Prototyping
UI Systems	Design Systems • Design Tokens • Components • Responsive Design • Accessibility
Collaboration	Stakeholders • Cross-functional Teams • Developer Handoff • Agile Workflows

PROFESSIONAL EXPERIENCE

Senior Product Designer — Freelance

2019 – Present

Remote

- Led end-to-end design for responsive websites and digital experiences across multiple industries, from discovery and information architecture to polished UI and implementation.
- Translated business requirements and client feedback into usable, brand-aligned interfaces and reusable UI patterns.
- Partnered closely with developers and applied front-end knowledge to improve feasibility, handoff quality, and implementation accuracy.

Product Design, Design Systems & AI Internships

Jul 2025 – May 2026

Cradis — Remote

- Conducted UX research and created user flows, wireframes, prototypes, and high-fidelity interfaces for team-based product challenges.
- Built design-system foundations including color, typography, spacing, design tokens, components, variants, and documentation.
- Applied prompt engineering and AI-assisted workflows to research, ideation, content development, and rapid prototyping.

Web Developer & UI/UX Designer

2020 – 2022

Yemen Hosting, HASTI & ProSite Yemen

- Designed and implemented responsive websites using Laravel, WordPress, Joomla, HTML, CSS, and JavaScript.
- Improved content structure, navigation, visual consistency, and CMS capabilities across client and organizational platforms.

SELECTED PROJECTS

Seen AI Interview	End-to-end UX research, user flows, wireframes, high-fidelity UI, and interactive prototype
